

FOUR SCOPES. ONE CONVERSATION.

More than window coverings. A coordinated finish package.

Window coverings, bath accessories, mirrors and shower doors for single-family builders and communities.

Built for long-term partnerships, not just the next project. We focus on dependable service, practical problem-solving and the bigger picture: lasting relationships with builders and general contractors.

01

Window coverings

Blinds and shades for windows and sliding doors.

02

Bath accessories

The coordinated details that finish the bathroom.

03

Mirrors

Vanity and bathroom mirrors to suit your plans.

04

Shower doors

Doors and enclosures for your selected layouts.

Let's talk about your next project or community.

WINDOW COVERINGS

A fit for every room.

Build your window package around the floorplans, door openings and selected finishes.

2-inch faux wood blind

2-inch faux wood blinds

A classic slatted look for living spaces and bedrooms.

Vertical blinds

An option for sliding doors and wide openings.

Roller shades

A clean profile with fabric selections to suit the space.

1-inch aluminum blinds

A compact horizontal-blind option for your package.

60,000 blinds in stock

Bring the details together.

Share window and door schedules, quantities by plan, product preferences, colors, mounting requirements and your target installation timing.

Ask for our 2-inch faux wood and vertical specification sheets when developing your package.

BEYOND THE WINDOWS

Finish the bathroom.

Include these scopes in your single-family bid package, with selections coordinated to your plans.

Bath accessories

Towel bars and rings, robe hooks and paper holders. Discuss the product series, finish and quantities for each bathroom and floorplan.

Mirrors

Vanity and bathroom mirrors aligned with your sizes, layouts and design intent.

Shower doors

Doors and enclosures coordinated with opening details, configuration and finish.

Images illustrate product categories, not completed DCB single-family projects. Final products and configurations are defined in the project proposal.

One scope or a coordinated package.

Send your plans and selections to begin the conversation.

BUILT AROUND BUILDERS

A partner for your next community.

Single-family builder relationships and design-center partnerships.
